Parents,

The Pius X Bowling program—in cooperation with the Lincoln Catholic Athletic League, School Principals, and Parish Pastors—will once again offer a Catholic Schools Bowling League for any student in grades 6 through 8.

Over the last two years, more than 130 students representing all Lincoln Catholic Schools have participated in the league. Our hope is to generate awareness among future Pius X students while giving those interested a jump start for high school bowling competition. Whether or not your student continues to bowl at the high school level, this league will allow them to meet other students throughout the diocese in a social and fun environment.

Ideally, we would like every school represented with at least one four-person team; multiple teams from each school are certainly welcome. Teams may consist of any combination of boys and girls in grades 6 through 8; you may sign up as a team or individual. If there are not enough bowlers from your school to form a team we will combine schools.

I want to reiterate that this will be a casual and fun experience for your child, introducing them to the sport and beginning to create a positive culture for the Pius X bowling team. Throughout the season your student will have an opportunity to interact with—and receive instruction from—current Pius X bowling team members and coaches.

Please fill out the information form below and return it to school; **registration deadline is Thursday, January 28th.**

If you have any questions about this program, feel free to contact me at the numbers below.

Sincerely,

Larry Puntene
